Welcome!	
We are committed to providing donated or discounted technology to nonprofits doing good in communities around the world. Thank you for your interest in receiving our nonprofit offers, and for all the important work you do!	
To get started, please select your nonprofit's country	
Slovenia	
Thank you for applying for our nonprofit offers. Here's what to expect.	
 You will register with Microsoft Philanthropies and provide proof of your nonprofit's eligibility (tax identification number or registered documentation from government entities, like a charity commission) as described on the Eligibility page. You will also be asked to agree to our anti-discrimination policy. 	
 Our partner TechSoup will verify your organization's eligibility* TechSoup or their local partner may contact you for additional information. (Note: This step may take up to 20 business days after submitting your application.) 	
 While you wait for eligibility validation, you can view your application status on the Microsoft Nonprofit Portal. No credit card information is required for the eligibility validation process. 	
 Once validation is complete, you will receive an email with your eligibility results for our nonprofit offers. If you are eligible, the email will include a link to the Microsoft Nonprofit Portal to review the nonprofit offers. 	
If you have questions throughout this process, please contact us .	
"Microsoft partners with TechSoup and their worldwide network of partners to validate your organization's eligibility for Microsoft's nanarofit offers. As part of the validation process, Microsoft will share your registration information with TechSoup. To determine eligibility. TechSoup may request additional information from you directly, and they may share that information with Microsoft. By registering with Microsoft your arganization consents to receipt of communication from TechSoup for eligibility determination, information about the product fulfilment process and outreach.
